SCHOOL IS COOL

FRIDAY, NOVEMBER 17, 2023

It's not just a place where you get to learn Einstein's Theory of Relativity. It's also a place where you can think beyond the classroom. Hence we say, **SCHOOL IS COOL**

FORGOTTEN VOICES

Echoes of the Forgotten Voices
 Accompanied by pens and quills
 Only for the world to overshadow their skills.
 Their wisdom drenched in ink
 They dared to make society think.
 Ever stroke written with thought and grace
 Alas! They were lost without a trace.
 Words, stuck in the patriarchal age
 Veiled by society's ignorant cage.
 Emily's verses resonated with life.
 Filled with hardships and strife
 The world would've turned a blind eye
 To her talent that could soar high
 Sylvia's verses echoed the refrain.
 Of colours of life from joy to pain
 Editors held by words of struggle
 New to the style of her poetic bubble
 Maya's verses screamed the unjust
 Behalf of all the souls weary to adjust.
 A narrative, hushed and marginalized
 Too powerful to go unrecognized.
 In the shadows of quills, their brilliance gleams,
 Emily, Sylvia, and Maya, weaving dreams.
 Let their legacy be a guide, shining bright,
 Igniting young minds, a poetic flight.
 Girls, wield your pens, break societal sway,
 Ink, a weapon to shape your own way.
 Write your tales with courage and might,
 A rebellious symphony, soaring to new height.

GADDA AKSHARA, class X, Delhi Public School, Warangal
