ASSEMBLY RAISES AWARENESS ON preventing violence against women

Delhi Public School

Warangal

A special assembly was conducted by Kaveri House students on Prevention of Violence Against Women, raising awareness about the physical, emotional, and mental abuse inflicted on women.

India remains one of the most vulnerable countries in terms of women's safety, given the high number of crimes committed against them. This violence often stems from the deeply ingrained patriarchal mindset in society. The assembly also highlighted the recent attack on a doctor in West Bengal.

To further spread awareness on women's empowerment and the issue of violence, students of DPS Warangal held a placard presentation and role play, emphasizing the Kaveri House motto, "Perseverance and Persistence," and how consistent efforts enable individuals to grow, lead, and achieve their goals in life with belief.
