

**O**n Children's Day, teachers of DPS, Warangal came forward to conduct several activities and made the day a memorable one for students.

In the Pre-Primary section, an 'Advertisement show' was conducted to draw the interest of the little ones. It was put together with the motive of entertaining and educating the kids. A special assembly was followed by Fun Games which were organized by the teachers.

Children can be the best natural "copycats" around. They love to mimic and impersonate their favourite characters. The activities aimed at helping the students enhance their skills in expressions, voice modulation and dialogue delivery.

## Delhi Public School Warangal

The students came up with unique ideas and participated with a lot of enthusiasm. Children not only showcased their acting skills but also their impromptu ability to use cognitive skills on the spot.

The primary and secondary level students were entertained by teachers with activities like asking Riddles and Tongue Twisters, Funny Speeches, Ad ka Tadka and Dance Masti and songs. The best part of the programme was that all the events were planned and performed by teachers for their students. The event came to an end with the principal's address to the children.
