

SCHOOL IS COOL

TUESDAY, NOVEMBER 29, 2022

It's not just a place where you get to learn Einstein's Theory of Relativity. It's also a place where you can think beyond the classroom. Hence we say, **SCHOOL IS COOL!**

Bulletin Board contest:

Team work, creativity at play

Delhi Public
School

Warangal

Aiming to promote critical thinking and creativity, the key skills required for innovation, a Bulletin Board Competition was conducted in Delhi Public School, Warangal.

Students were assigned three Sustainable Development Goals to prepare Bulletin Boards - Industry, Innovation and Infrastructure; Good Health and Well-Being; Climate Action. The competition was held among students of the four houses, Krishna, Kaveri, Ganges and Godavari.

The activity enhanced the students' capacity to think cre-

atively and also promoted team work. The Housemasters, the Housemistresses and the students, all took this task as a challenge and completed it in time.

The chairman, principal and the vice-principal went through the boards and appreciated the teachers and students.

Krishna House team was declared the winner and Kaveri and Godavari teams were declared the runners up in X & IX category; Kaveri was the winner and Krishna the runners up in the III to V & VI to VIII categories.
