

SCHOOL IS COOL

TUESDAY, DECEMBER 27, 2022

It's not just a place where you get to learn Einstein's Relativity. It's also a place where you can think in a classroom. Hence we say, **SCHOOL IS COOL!**

Christmas Celebration was organised at Delhi Public School, Warangal with much pomp and grandeur. All the students from pre-primary and primary classes gathered in the foyer in radiant red attire with big smiles on their faces. Their innocent looks added grace to the celebration.

The school wore a festive look complete with bells, streamers and a Christmas tree. Several activities such as making Santa masks, stockings, and Christmas cards were conducted for the students. The children were told about the birth of Lord Jesus and the legend of Santa Claus. The delightful celebration included children coming in their red party attires, bringing their

favourite food, dancing, and sharing in the merriment. The spirit of giving and shar-

ing was inculcated among the tiny tots. The boundless joy of celebrating the festival was amply visible on the faces of the children especially when Santa moved around distributing sweets to them.
